

Certificate

OF PARTICIPATION

DATE: 17/11/2024

CERTIFICATE CODE: SELEV81059
5

This certificate is proudly presented to

Muhilan S

for successfully participating in the
StudAI Elev8 Workshop: Hands-on with
Generative AI

Held on **15th and 16th November 2024**

During this hands-on workshop, the participant gained in-depth knowledge of:

- **Prompt Engineering:** Mastering the art of crafting effective AI prompts.
- **Retrieval-Augmented Generation (RAG):** Exploring advanced methods for utilizing large language models (LLMs).
- **Fine-Tuning Methods in LLMs:** Customizing AI to suit specific needs.

The participant also deployed their own **AI-powered chatbots** and **automated daily tasks**, leveraging the power of AI to enhance productivity and efficiency.

This certificate is awarded as a recognition of their commitment to advancing their knowledge and skills in Artificial Intelligence.
