Date: 4th November 2025

TO WHOM IT MAY CONCERN

This is to certify that **Mr. MUHILAN S**, a student of **SRM Institute of Science and Technology, India**, has been offered a **Online internship** at **The Institution of Engineers (India) Qatar Chapter**, in connection with the development and implementation of an AI-Big Data Project.

Project Title: Stock Vision AI with Apache Spark

Internship Description:

This internship offers an opportunity to work on a cutting-edge project, "Stock Vision AI with Apache Spark," aimed at leveraging Artificial Intelligence (AI) and Big Data technologies to gain unique insights into financial market trends. The intern will focus on building and optimizing the data pipeline and machine learning models for large-scale analysis of financial data.

The intern will work under the guidance of our technical team and gain valuable experience in real-time AI development environments. This internship is intended to support academic learning with practical exposure to current industry practices in Artificial intelligence and IT systems.

We wish **Mr. MUHILAN S**, success in this internship and in all the future endeavors.

Sincerely Yours,

Engr. Abdul Sathar P.Eng, FIE, MBA
Hon. Chairman
